CONTRACT FRAMING

WALL PRINTS

EDGED PRINTS

Crown your artwork with one of our contemporary edge finishes.

A perfect method for any minimalist workspace or hospitality environment.

An elegant and subtle finish emphasizing the framed image. Our range of frame edges are suitable for both glazed and exposed prints.

CLASSIC FRAMES

From timeless classics to contemporary & modern finishes we have something to suit every space.

No need to travel to a frame studio or order online and cross your fingers.

Mosaic Graphics offer an on site free framing consultancy service.

We will come to your office or client's site to go through your project with a collection of samples.

Moulding

Classic wood grains, black & whites to ornate & decorative frames. We will help you choose the best moulding for your interior

Wood | Polycore | Aluminium | Veneers
Natural wood grain | Smooth | Decorative

Mounts

Want to accompany your print with a mount, or have your image going to the edge? No problem, we have a wide selection of mount options, colours and finishes available for you to choose from.

Single | Double | Slip | No Mount
Multi Aperture | 'V' Groove | Deep

Glazing

When it comes to framing it's all in the detail and finishing touches.

We have a glazing solution to suit your frames final destination. From non-reflective museum glass for those master pieces or perspex for high traffic areas.

Art Glass | Float | Perspex | Museum
Diffused - Reflection Control | Acrylic
Tru-View Clear | Conservation (UV Protection)
